Application for the VolNet Service Package

Section 1   Are you eligible for the VolNet Service Package?

To qualify for a VolNet service package, you must:
- be incorporated as a not-for-profit corporation under appropriate provincial or federal legislation, or be registered with Revenue Canada as a charity or an amateur athletic association;
- have a voluntary board of directors;
- offer services or programs that serve the public interest;
- operate democratically, or in other participatory ways, and represent your membership or constituency;
- have annual revenues of less than $500 000;
- not have been connected to the Internet in the last six months;
- be planning to use the Internet in your work in the near future.

The following are not eligible: Individuals, profit-oriented organizations, industry and trade associations (including professional associations), political parties and organizations involved exclusively in partisan political activity, municipalities, universities, hospitals, schools, organizations already served by similar government programs, places of worship (as opposed to religious charities), and labour unions.

Please note that meeting eligibility requirements does not guarantee receipt of a VolNet Service package.

Do you meet the eligibility requirements?

✎ Yes, we meet the eligibility requirements, including not having been connected to the Internet in the last six months
Please continue.
